## **DETAILED ACTION**

**Re: Anagnostou *et al***

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/28/2008 has been entered.

2. The amendment filed 4/28/2008 is acknowledged and entered into the record. Accordingly, claims 1-15,17-21,23-30, 34-41, and 43 are canceled without prejudice or disclaimer.

3. Claims 16,22,31-33,42, and 44-47 are pending and examined on the merits.

### ***Information Disclosure Statement***

4. The Information Disclosure Statement filed on 4/28/2008 is acknowledged and considered. A signed copy of the IDS is attached hereto.

### ***Claim Rejections Maintained - 35 USC § 103***

5. The rejection of claims 16,22,33,41, and 47 under 35 USC § 103(a) as being obvious over Silvestris *et al* or Bukowski *et al* in view of JP 02 096535 (Chugai Pharm Co. LTD) is maintained for the reasons of record. Applicant's arguments have been previously considered and rebutted. Applicant has not provided any additional

arguments which are supported by objective evidence. Applicant's arguments have been carefully considered but are not deemed persuasive to overcome the rejection of record.

***Claim Rejections Maintained - 35 USC § 102***

6. The rejection of claims 16 and 33 under 35 USC § 102(b) as being anticipated by Silvestris *et al* (Ann. Hematol 1995; 70(6):313-318) is maintained for the reasons of record. Applicants have not provided any additional arguments which have not been previously addressed. All arguments submitted have been rebutted and applicant has not provided any new or additional arguments to overcome the rejection of record. Applicant's arguments have been carefully considered but are not deemed persuasive to overcome the rejection of record.

**All other rejections are withdrawn in view of the applicant's amendments and arguments thereto as set forth in a paper filed 4/28/2008.**

***Conclusion***

7. No claim is allowed. Claims 45-46 are objected to for depending on a rejected claim.

8. This is a RCE of applicant's earlier Application No. 09/525808. All claims are drawn to the same invention claimed in the earlier application and could have been finally rejected on the grounds and art of record in the next Office action if they had been entered in the earlier application. Accordingly, **THIS ACTION IS MADE FINAL**

even though it is a first action in this case. See MPEP § 706.07(b). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no, however, event will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
